

ICCCE 2018

The 9th International Conference on Chemistry and Chemical Engineering

July 11-13, 2018

University of Liverpool, the United Kingdom

Conference Introduction

The 2018 9th International Conference on Chemistry and Chemical Engineering (ICCCE 2018) is the premier forum for the presentation of technological advances and research results in the fields of Chemistry and Chemical Engineering. ICCCE 2018 will bring together leading engineers and scientists in Chemistry and Chemical Engineering from around the world.

Good News:

1. Publication
International Journal of Chemical Engineering and Applications (IJCEA ISSN: 2010-0221).
2. Famous professors as Speakers
Prof. Ewa Dluska, Warsaw Univeristy of Technology, Poland;
Prof. Ferda Mavituna, The University of Manchester, UK.
3. Academic Visit
There will be an academic visit in University of Liverpool.

Important Dates:

Paper Submission	before May 20, 2018
Notification of Acceptance	on May 30, 2018
Registration	before June 10, 2018
Conference Dates	July 11-12, 2018
Academic Visit	July 13, 2018

Call for Papers

Topics of interest for submission include, but are not limited to:

Chemical, Environmental, and Process Engineering	Systematic Methods and Tools for Managing the Complexity	Chemistry and Chemical Engineering Fundamentals	Integration of Life Sciences & Engineering	Multi-scale and/or Multi-disciplinary Approaches
---	---	---	---	--

(More topics can be checked on this website: <http://www.iccce.org/cfp.html>)

Submission Methods:

1. Electronic Submission System:
<https://cmt3.research.microsoft.com/ICCCE2018>
2. Conference Email Address:
iccce@cbees.org
